

# Technical Details

## Xchange

### Format posters

H 1500 mm x W 1230 mm

### Visible format

H 1500 mm x W 615 mm

This for the left (face 1)  
and right (face 2).

### Bleed

5 mm

### Paper

Duplex cardboard 350 gr.

### Properties

Face 1 and Face 2 of the alarm cover will  
be printed on one sheet dimension:  
H 1500 mm x W 1230 + 5 mm bleed.  
After this sheet has been cut, this co-  
ver will be vertically folded in two equal  
parts. This way we will get two faces with  
the dimension: H 1500 mm x W 615 mm.

Personalized print is possible on demand  
(PMS, shape cuts, etc.)

Ecologically printed:  
no alcohol, ecological inks,  
varnish on acrylic base

---

## SPECIFICATIONS

---

The images used in your layout should be embedded as  
High Resolution TIFF or EPS CMYK (300 dpi) in a PDF.

Colour spaces like Lab, RGB... are not supported.  
Spot colours should be converted to CMYK before exporting to PDF/X.

All fonts should be embedded in the PDF,  
printing fonts and screen fonts.
